About Us

ABOUT US

City Beauty® is not your average beauty company. We specialize in what we call "functional beauty," meaning all of our products are designed to not only make you look beautiful while you wear them, but to provide deeper benefits.

Free Presentation

IN THIS PRESENTATION, YOU WILL LEARN:

- Why one skin care researcher believes there's no perfect solution for the lips.
- What lip products to avoid, and the worst offenders that cause long-term damage.
- What we can do to take care of our lips so they continue to look good with age.
- How City Lips® can help anyone achieve fuller, younger-looking lips.

Our Innovative Ingredients

HYALURONIC ACID SPHERES

used in lip fillers; safe, naturally occurring in your body; plumps, smooths and hydrates ^{3,5}

NATURAL MOISTURIZERS

like Jojoba Oil and Ylang Ylang Flower Oil for a comfortable, soothing application to keep lips soft, smooth, and hydrated ⁶

OLIGOPEPTIDES

strings of natural amino acids which support your lips' own natural collagen production & more collagen = plumper, more youthful-looking lips ^{2,7}

Why Our Customers Trust Us

This works

"I'm 73 so didn't expect much, but I've used it for a month and I can see the difference. I took a picture before I used it and one month later there is a visible difference. Even my daughter noticed and then bought this product too."
